Reference: July Quarterly Report (4/1/02-6/30/02)

Dear Mr. Glasgow:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A of your report contains itemized entries for contributions made by more than one person. For itemized contributions made by more than one individual in a single written instrument, you must report the amount attributed to each contributor along with all the required contributor information (full name, address, occupation and employer) for each person. See 11 CFR §§100.12, 104.8(a), (b) and (d)(1) and the Campaign Guide for Congressional Candidates for additional clarification.

-Schedule B of your report (see attached) discloses one or more contributions which appear to exceed the limits established by the Act. The Act precludes an individual or a political committee from making a contribution to a national party committee in excess of \$20,000 per calendar year. (2 U.S.C. §441a(a)) However, a political committee may make unlimited transfers to a national party committee if the transferred amount is determined to be and disclosed as "excess campaign funds". (11 CFR §113.1(e))

If any apparent excessive contribution in question was incompletely or incorrectly reported, you must amend your original report with the clarifying information.
